

CLAIM

What I claim as my invention is an odor-preventing, sweat absorbing thin cotton sheet (deodorant/antiperspirant pad) to be placed in the underarm area inside shirts for people who sweat excessively in their armpits.

DECLARATION

I, Kelly Courns  who currently resides in Parker, CO in the U.S.A. declare that I am the sole inventor of "Dry&Free." All correspondence can be sent to the address listed below.
